In Tuscany, the heart of Italy

Only slightly more than one hour's drive from Rome and Florence. Welcome to the heart of Italy, welcome to Tuscany, welcome to Sarteano. A town with less than 5000 inhabitants, situated 573 metres above sea level, halfway between the Val d'Orcia and the Val di Chiana. Here the pace of life is pleasantly slow. We enjoy eating well, breathing the pure air of Monte Cetona's forests, and making sure that our visitors have a good time.
